

## NW Clinical Librarians Group meeting June 2018

Sharing our work at conferences and events

### Ways to 'dip our toes in the water'

- Start small
- Buddy up – present in a pair or a group
- Present a poster
- Volunteer at a conference to get a feel for the event
- Facilitate a workshop
- Host a stand at an exhibition
- Participate in a local University event
- Participate in a Trust or regional event

### At which events could we sharing our work?
