6	<p>IMPACT CASE STUDY OF INSTRUMENT SEARCHES FOR NICE GUIDELINES Presentation by RM on a literature search she carried out to support the implementation of NICE guidelines. See the LIHNN CLG web pages for presentation slides.</p> <p>This presentation prompted a discussion whether anybody else had done similar literature searches and what the difficulties were. It was noted that sharing such searches across the region/with other trusts could have great benefits, underlining the importance of the potential literature search sharing project for which the funding bid has been submitted.</p>	
7	<p>UPDATE ON STRENGTHENING WORK WITH RESEARCH DEPARTMENTS AT PRESTON Presentation by EH on strengthening links with the research department at Royal Preston Hospital following on from the presentation given at the March 2015 Clinical Librarian Group meeting by Alison McLoughlin (Academic Research Nurse at Royal Preston). Slides are available at: http://prezi.com/sypdt-kes58j/?utm_campaign=share&utm_medium=copy&rc=ex0share (best viewed in Google Chrome)</p>	
8	<p>ANY OTHER BUSINESS Lancashire Care have produced a 2 minute promotional video, where a member of staff tells the viewer how evidence provided by the library has led to changes within the organisation. The video can be viewed at: http://youtu.be/w1vcCA9UrzA</p> <p>VT shared the update of her literature searching protocol for library staff with the group. The protocol is available on the LIHNN CLG web pages, and can be used/adapted.</p> <p>GY informed the group of the details for the next HLG conference: 15th and 16th September 2016 in Scarborough. Bursaries will be available, particularly for those presenting. A call for papers will be issued around Christmas time.</p>
